

This horizontal bar chart displays the distribution of scores (Wynik) for 100 subjects. The x-axis represents the score, ranging from 0 to 100. The bars are colored in a gradient from blue to red, with a prominent red bar at the top and a blue bar at the bottom. The chart shows a wide range of scores, with many subjects achieving high scores (above 75) and a few achieving low scores (below 25).
